

Property Tax Increase Alert

Call and Register Your Opinion

Two proposals are in the process of coming before the State General Assembly in January. Both deal with the amount of money Collegedale receives from the State Shared Sales Tax revenue. One is a proposal from Hamilton County Mayor Jim Coppinger and one is from State Senator Bo Watson.

BOTH OF THESE PROPOSALS, IF PASSED, WOULD RESULT IN YOUR PROPERTY TAXES BEING INCREASED NEXT YEAR.

Your local representatives on the Red Bank Board of Commissioners would have no choice.

Please read these two documents to educate yourself on the issue. Then, pick up the phone and call the offices of Mayor Coppinger and Senator Watson and express your opposition to these two proposals.

Mayor Coppinger's phone number is 423-209-6100.
Senator Watson's office number is 615-741-3227.

If you have questions, please call the Red Bank City Manager at 423-877-1103.
