RED BANK, TN – The City of Red Bank invites the community to their initial Open House at Red Bank City Hall on Friday, March 18th. From 9am until 2pm, all department directors, including Police, Fire, Public Works, Finance, Court, and other staff members will be available for questions and conversation. Several Red Bank Commissioners will also be attending.

“This is an opportunity for the community to drop by and meet us, especially the Department Directors, and ask questions or simply get to know us better,” said Martin Granum, Red Bank City Manager. “This is our first attempt at an Open House. If it is a successful event and there seems to be an interest, we may consider more ‘Open Houses’ down the road.”

Red Bank City Hall is located at 3105 Dayton Boulevard in Red Bank. For questions about the Open House, call City Hall at 423-877-1103.
