**Calls for Service
October 2025
Total calls - 810**

Categories and types of calls listed above provide a general overview of law enforcement activity each month. Listed call types are examples, and do not represent every single type of call officers respond to.

Call types are based on the initial information provided by the caller to the Hamilton County 911 Center. For example, a "shots fired" call may later be determined to be a car backfiring.

Traffic/Vehicle - 389 calls

Auto accidents, traffic stops, auto theft, broken down auto, vehicle pursuits
