

Storm Water Management

The Storm Water Division addresses storm water related calls throughout the City. To ensure that the City is doing its part in the water quality program, the division addresses problems along the City's Right-of-Ways (cleaning storm drains, cleaning of ditches, etc.) along the City Right-of-Way as well as evaluating storm water related issues on private property. Calls related to Storm Water issues should be directed to 423-877-1103 Extension 1021.

*Illicit Discharge Detection
And Elimination*

Illegal Storage of Containers

Use of silt fencing to control Storm
Water Erosion due to Storm Water
